**Be sure to work on problems of all types**, because that's what you will see on the exam. **For hand-written work, students need to do at least 25 problems for full credit.** You are expected to use the SSM to self-grade your hand-written work, and it should not be error-free or without corrections! *Students who simply copy answers from the Solutions Manual and submit them as their own work will not earn credit on this assignment.* In WileyPLUS, there are over 150 points that can be earned (~2 points per problem). **A WileyPLUS score of 80 or higher will earn full homework credit.** Partial homework credit will be given for scores below 50 (40 = 4 points, etc.).
